INFORMATION DISCLOSURE STATEMENT

Sir:

Under the provisions of 37 CFR §1.97 through §1.98 and pursuant to applicant's duty of disclosure under 37 CFR §1.56, applicant respectfully brings the following documents listed on a Japanese Office Action issued in a counterpart foreign application, dated February 5, 2008 and the attached form PTO-1449, to the attention of the Examiner in charge of the above-identified application. Additionally, English language abstracts of some of the references are included herewith. Applicant submits U.S. Patent No. 6,211,921 and U.S. Patent No. 6,075,515 as U.S. equivalents for JP 2000-506714 and JP 2000-508102 respectively.

This citation does not constitute an admission that the references are relevant or material to the claims. It is only cited as constituting related art of which applicants are aware.

In compliance with the requirements of 37 CFR §1.98(a)(3), as a concise statement of relevance, as it is presently understood by the individual designated in 35 U.S.C. §1.56(c) most knowledgeable about the content of the information, the undersigned attorney of record submits a English translation of an official action by a foreign examiner in which the references were cited. The relevance to the pending U.S. patent application is that the references were cited in a related application on related subject matter. However, no independent analysis of the

references, the accuracy of the statement of the foreign examiner or the claims of the application under the laws of that country or the United States relative to the subject matter claimed in the present application has been made, the present understanding of the contents thereof by the undersigned being based on the translation of the foreign examiner's comments submitted herewith.

I hereby certify that each item of information contained in this Information Disclosure Statement was the first citation of that item by a foreign patent office in a counterpart foreign application, which occurred not more than three months prior to the filing of this statement.

It is respectfully requested that the listed reference be considered by the Examiner and formally made of record in this application.

Please charge any deficiencies in fees and credit any overpayment of fees to Attorney's Deposit Account No. 50-0481.

Respectfully submitted,
